

# Jared & Friends: Visions of Love script

---

(After the theme song and the title card, we transit into the lair where Jared Robinson walks in with his Barney doll in his backpack. He pulls Barney out and puts his on the special colorful pouch on his super-belt)

Jared:

(Sigh), it's official!

Can you believe it's now been a whole month since I started high school, Barney?

I can't. It only seemed like yesterday I first started elementary school and here we are.

What do you think?

(In a burst of colorful sparkling twilight (the usual colorful twilight), Barney comes to life from his doll form to the costumed character)

Barney:

Whoa! I think it is dino-mite!

Jared:

Barney!

(Jared runs to hug his purple friend)

Barney:

Hi, Jared!

You know you got through it by meeting new people and just being yourself. That's one thing we can all get together for.

(Being Together (Colorful World) starts up)

Barney:

I like to run and jump and play, there's so many things to do

I like it even better when it's with a friend or two

Barney & Jared:

**Being Together with friends is what I like to do.**

**Being together with friends, together the whole day through**

**Any day, any time**

**Day or night, rain or shine**

**Together with friends like YOU!**

(An instrumental plays as a pink, swirling, circular portal (the one from Cyberchase) opens and in a burst of violet sparkles, Digit the Cyber-bird appears)

Digit:

Every day, I learn new things and grow a little, too.

It really makes it better when it's with a friend like you

**(Chorus)**

All 3:

**Being together with friends like YOU!**

(Song ends and the scene fades to the trio having lemonade, socializing in the hangout sitting on the couch, reminiscing)

Digit:

Boy, it's been a long journey, but here we are.

One month, and ready for the weekend.

Barney:

Yep, it's one of those adventures we'll remember for a long, long time, like the time we got zapped to Odd Squad to help Olive and Otto. That was crazy.

(Jared and Digit giggle)

Jared:

Or when Riff first crushed on Chantel?

Digit:

Yep! Those were fun! To be honest, I hope we have more adventures. Especially since we got through a whole month in high school.

Barney:

I have a feeling it's just the beginning.

(And Barney is right...because after he says that, Jared looks away and freezes as we now see he's transfixed into one of his imaginary Raven-style psychic visions. In his latest vision, we see (from the view of Jared) him walking with Barney, Digit, The D3, and Jay Jay down the school hall, toward the music room, and they stop when they hear a voice)

Boy's voice:

Jared!

(We turn around, seeing two boys with a beautiful fair/cream-skinned girl with brown hair and a bright pink backpack)

Barney:

Oh, boy. Super-Dee-Duper...

(Jared smiles wider and blushes)

(The vision ends and we cut back to the present with Jared having a lovesick smile on his face and he snaps out of his trance and gasps)

(Barney and Digit notice this and instantly know he had another vision)

Barney:

Jared, what is it?

Did you have a vision?

(Jared nods, silently)

Barney:

Oh, boy!

What did you see this time?

(Jared gulps. The smile stays intact. He finally speaks, but with an excited voice)

Jared (almost stuttering):

Gentlemen, this has got to be one of the most clear and greatest visions I've ever had.

Barney, Didge, I saw this really cute and pretty girl at school. You know, she's in our grade, has light brown hair, around my height, and that pink backpack.

Barney:

I know who you're talking about. The girl you call "Lil' Pinky," right?

She wouldn't happen to look like... *(He uses his colorful magic to make a picture of her appear in his hands, but it magically disappears after a few seconds)* This, doesn't she?

Jared:

Exactly!

Oh, she was so beautiful...

*(Sighs dreamily)*

*(Jared walks away from the couch and Barney and Digit follow him. We then cut to the basement in Jared's house and the portal opens and the trio walk out. Jared's no longer in his school uniform)*

Barney:

I know that look. You're in love again!

Digit:

Badda-Bing! Badda-boom! Jared has his first high school crush!

Jared:

That's right, Digit LeBoid! I am in love!

*(I'm in Love (Parody of Fifth Harmony: I'm in Love with a Monster) as the scene transits to Jared out of his uniform, now wearing colorful clothes, complete with a sleeveless denim jacket and sunglasses. Barney and Digit just wear the same black sunglasses. A colorful background is also used, the scene follows the lyrics)*

Jared:

I've been happy, mad, silly and sad.

Also smooth, devious, but not bad.

But I got this feeling right here in my heart.  
It's making music, going, thump, thump, thump!  
I'm in love! I'm in love, yeah.  
Look, I ain't stupid or out of my mind.  
This feeling is awesome, heck; it's one of a kind.  
I don't even give a care in the world  
It's supertastic, so happy I can do the twirl.  
Love! I'm in love, yeah!

**I'm in love (I'm in love) (2x)**

**I'm in love; I'm in love, hey. (Repeat)**

**I'm in love! I'm in love, hey.**

Verse 2!

It makes me sing, it makes me dance.  
It makes me hop, it makes me prance.  
Trying it all, hey, I got the moves.  
It really feels great, yeah, I got my groove  
I'm in love!  
I'm in love, hey.  
Everyone's been there, every time, everywhere!  
I feel like flying, like I'm walking on air  
It make you so happy, you can clap your hands.

C'mon, sing along; work your own little one man band

Love!

I'm in love, hey!

**(Chorus)**

This ain't a crime, everybody's got it.

A bird, a dinosaur, or even a Hobbit!

You just believe that you have the power

To show the world

Hey, Hey, Hey, Hey

Love is awesome; love is kind (I'm in love)

Supertastic, I don't care, I don't mind.

*(For this part, Jared has a colorful umbrella, while lemon drops;  
gumdrops, candy bars, and milkshakes fall down (just like in the song If  
All the Raindrops):*

Sweet like lemon drops and gumdrops

Or like candy bars and milkshakes.

It makes the world go 'round.

Awesome-tacular bound

I'm in love!

I'm in love, now!

(Sing it with me, now)

**(Chorus)**

I'm in love (I'm in love! I'm in love, now)

Y'all better bet your gut.

Don't you know love is grand as Tut?

Yeah, it really makes the cut!

I'm in love!

I'm in love, yeah!

Hit me, hit me, hit me!

Big Finish! 5. 6, 7. 8!

(Big finish! Jared and Barney scat/hum)

Jared and Barney (at the last beat):

Yeah!

(Song ends)

Barney:

That was Super-Dee-Duper!

Sounds like a brand new adventure on our hands!

Jared:

Yep, it's not going to be easy as we think.

Two things: one: we barely even know her, let alone her real name.

Two: You know about my shyness problems.

Digit:

Oh, right.

Barney:

At least a challenge makes it a great adventure!

C'mon, let's go!

(Music for Let's Go! Begins)

Barney and others:

Let's Go (2x)

On an adventure today,

Let's Go (echo)

Oh, we can hardly wait.

Let's Go (echo)

It's going to be so great

Let's Go (echo)

Barney:

Let's go and explore the world,

Each day will bring something new.

Anything is possible,

Make a wish and it might come true.

(Barney closes and slowly opens his hands and little cartoon hearts  
magically appear and fly away)

Barney and others:

Let's Go (echo)

On an adventure today

Let's go (echo)

We can hardly wait

Let's go (echo)

It's going to be so great

Let's go (4x)

(Barney: C'mon)

Let's Go (echo)

On an adventure today

Let's go (echo)

We can hardly wait

Let's go (echo)

It's going to be so great

Let's go (8x)

(Song ends and music transits to We are Adventuring (Music from Adventuring at the Fair (Barney's Let's Make Music (2006 Home video)))

Barney:

**Here we go; we are adventuring!**

**We'll see the sights and hear the sounds,**

**Up and down and all around!**

*(Digit and Jared join):*

**Here we go; we are adventuring!**

**Nothing ever could compare**

**To all the fun while we are here!**

Barney:

Always so exciting, the things we'll see today.

It's a new adventure, we can hardly wait!

Jared:

We'll discover many things, what God made here to say!

Digit:

It's good, it's good, it's very good

Everyone shout "Hooray!"

**(Chorus)**

Jared:

You know that something's up when I have my psychic visions!

I know what's coming along the way

With my imagination!

The Imagination Posse. We'll all be playing games.

Action with romance, drama with a lot of angst.

Everyone shout "Hooray!"

"Hip Hip Hooray!"

(Dance Break. During this, Jared, Barney and Digit dance around in sync, and after a minute or two, near the end, they all have ribbons and wave them around in sync, the ribbons disappear when they sing the chorus again)

**(Chorus)**

*(Last line of chorus)*

(Song ends)

Barney:

But what you saw was Super-Dee-Duper!

Jared:

I know B-man, but I don't stand a chance. I'm worried if this will be a reality.

Digit:

Well, what are going to do, Jared?

Jared:

I don't know, Didge. I don't know...

(Jared walks away, going upstairs)

(Barney and Digit glance nervously at each other)

(Scene transits to the next day with Jared and Barney (doll) at an auction warehouse with Jared's family looking around, while Jared sitting with the doll and drawing in his sketchbook)

(The finished product reveals to be a drawing of the girl Jared saw. Jared quickly closes the book and sets it down, panting)

Jared:

Oh, Barney, I don't know what to do, I can't stop thinking about her

(NOTE: the lines in italics and bold mean Barney's doll dialogue)

Barney:

***Oh, don't be down, J. We'll think of something.***

(Jared then feels a chill up his spine, a powerful vibe)

Jared:

Whoa! I have a vibe...

Barney:

***Well, just go with it, like you always do, just use your imagination, but keep reality tied in.***

(Jared nods and closes his eyes and concentrates hard)

(We then transit to the faded picture in Jared's head and Jared narrates what's going on and what he's saying)

(NOTE: the italicized lines are Jared's thoughts)

Jared (thinking):

*Ok, I see the fan group, I'm walking closer, but I see someone else. I can't make her out. (Gasp!) Pinky's here....*

(Jared opens his eyes, panting)

Barney:

***What's the deal? What'd you see?***

(Jared whispers into Barney's ear (yeah, of course I know he doesn't have ears, but he can still hear))

Barney:

Man, this is getting trickier by the moment you predict something.

Jared:

But at least we know what were up against...sort of.

(Jared then instantly gets up and does hand motions, the ones from Mr. Knickerbocker)

Jared:

Oh, boy, Boppity-bop Syndrome! One of my shy conditions!

Oh, man...I forgot about that.

What are we going to do?

Barney:

*I don't know, Jared*

*I don't know...*

(We then transit to the school hallway on Monday, lunch hour and Jared walks down the hall with Barney, Jay Jay the Jet Plane, Herky the Helicopter and Libby Jones)

Libby:

You're not serious, are you?

I mean, you had visions before, but this one, I don't know.

I mean it's not the first time you predicted something involving love

Barney:

C'mon, now, Libby, give him a chance.

(Baby Bop, BJ, and Riff (collectively known as the D3) appear in their respective colored sparkles (Baby Bop: green, pink, and purple, BJ: Yellow, green and purple, and Riff: Orange, green, and yellow))

Baby Bop:

Hi!

BJ:

Hi, guys!

Riff:

Hi, Barney!

Barney:

Hi, D3, did you get my message?

BJ:

Why would we be here?

(Everyone continues walking, after Jared tells them everything)

Baby Bop:

Oh, it sounds romantic, but how do we make it true?

Jared:

I don't know Baby Bop, and the chances of seeing our target in person  
so we know chances are pretty...

(He and the rest of the posse are then interrupted when they abruptly  
stop and see the beautiful girl Jared saw, but now we see her in person,  
from a distance)

Jared (softly):

Slim...

(We then see her as if she was walking toward them in slow-motion and she flips her hair, the colorful sparkles/ lavender lilac rose scent softly hit Jared square, making him even more lovesick. We even hear his heartbeat throughout the whole scene)

Riff (head stripes light up, glitter and sparkle):

Wowzer!

Jared:

Oh...my...snap...she is phenomenal....pretty close to perfect, I must say.

(He suddenly snaps out of it when the fire alarm rings)

Riff (Head stripes blinking green and red):

Oh, noise buckets, who ever heard of a fire drill at lunch?

That's crazy!

BJ:

Especially, when they ruin an awesome moment!

Baby Bop:

I know, right?

Jared:

Let's go, y'all!

(The posse runs out)

(A few minutes later, after the fire drill, they find a bench and talk things over)

Jay-Jay:

All right, ladies and gents, what do we know and what do we need to know?

Libby:

Well, ok, at least we know how nice she looks, but we don't even know her real name...

Scooter (off-screen):

I do!

(We then see Scooter McNutty the Squirrel pop out from behind the bench)

All:

Scooter!

(Everyone greets Scooter)

Scooter:

Hi, guys, I heard about this whole thing and I thought I'd help.

Here's some info for you guys:

Her name is Madeline Macgowan, and I should know. I had, like, to two day crush on her.

Libby:

Well, that answers my question.

Jared:

Oh, now that we know her name, we can hope things are easier, oh, I wish. I wish.

(Wishing Wishes (I Can Do It) starts)

Jared:

**I keep wishing that my wishes  
Would happen right away.  
But every time I make a wish,  
It seems I have to wait.**

Barney:

But, Jared

Sometimes things don't happen exactly as we want.

Jared:

Seems like I'm wasting time just waiting here to see how it turns out.

**(Chorus 2x)**

**(First verse again)**

**(Chorus)**

Jared:

Why can't things happen?

Why can't they just appear?

Libby:

It's hard to wait,

Myla:

Anticipating

Scooter:

That it might take years.

**(Chorus)**

*(Everyone else joins in with Jared):*

**(Chorus)**

(Song ends)

(BJ turns to see someone coming)

BJ:

Incoming, Pinky!

(We hear a ricochet sound to indicate that Jared had dashed away)

Jay Jay:

Huh? Jared, where are you?

(The posse then sees Jared's high-top shoe at the corner)

Riff:

It's okay, Jared. You can come on out.

Jared:

How do I know?

(BJ whistles his trademark whistle)

Jared:

Okay, it's safe.

(Jared comes out of hiding and then he freezes with a golden twinkle in his eye, indicating that he's having a vision. He's frozen for a second or two and snaps out)

Libby:

Another vision?

Jared:

Yes, she's not too far way, I'm going to take action.

I'm calling Motherboard.

(He pulls his blue Skwak-Pad from his backpack, to call for a portal, but BJ shuts it off)

BJ:

No, you're not!

Jared:

Oh, BJ!

Dude!

Daniela:

Man, you're really nervous.

Snuffy:

This is not good!

Jared:

Oh, what should I do?

What should I do?

What should I do?!?

(What Should I Do (Rendition similar to the original, mixed in with Riff the Rescue) starts up)

Jared:

**What should I do?**

**What should I do?**

**What should I do, when I don't know what I should do.**

Jared:

Should I make a brave face?

BJ:

Should I cross my arms and wait?

Riff:

Should I count the tick-tocks on the clock when I haven't got a clue?

**(Chorus)**

Barney:

Should I tap my toes?

Should I shout a big OH NO?!?

(Jared: Oh, no!)

Baby Bop:

Should I ring my mom or sing a song?

I'm feeling so confused.

**Jared:**

**What should I do?**

**Posse:**

**What should he do? (2x)**

**Jared:**

**What should I do, when I don't know when I should do!**

**(Repeat once more)**

(Song ends)

**BJ:**

Don't worry, we'll think of something, Jared. Why don't you take a walk?

We'll see in class in a few.

(Jared nods 'ok' and walks away off-screen)

Baby Bop (whispering):

Are you sure we will, BJ?

**BJ:**

I'm not sure, Sissy, but we will, I hope....

Barney:

Jared can't run from his problem forever.

Libby:

Ok, guys, let's problem-solve. What do we know?

Baby Bop:

We know that Jared had a vision

BJ:

In which he saw Maddy and fell in love with her, big time!

Riff:

But he's so shy, he can't be seen by her, or even go one inch toward her.

I mean, why do boys get shy around their crushes

Scooter:

What do you do about shyness?

Libby:

Why is Jared so scared?

Barney:

Oh, my! A lot of questions....

(Why? (Rendition from Barney's Best Manners: Your Invitation to Fun)  
starts to play)

All (except Barney and Jared):

Why? (4x)

Digit:

Why is the grass so green?

Scooter:

Why is the sky so blue?

Libby:

How many fish are in the sea

Baby Bop:

And why does a Cow say Moo?

(NOTE: Italics also mean pre-chorus)

All (except Jared):

*We sit around and wonder why,*

*About so many things*

*We just want to know....*

*Why, Why, Why, WHY*

**Why are there stars up in the sky?**

**Why do the clouds keep rolling by, and by and...**

**How do the birds fly up so high?**

**We just want to know "Why?"**

Libby:

Why does a kitty cat purr?

Riff:

Why does a bear have fur?

BJ:

How does the day turn into night?

Baby Bop:

And why is the moon so bright?

*(Pre-Chorus)*

**(Chorus)**

All:

Why, why, why, why?

All (except Barney):

We just wanna know why.

WHY?

(Song ends)

Barney:

These questions will be answered soon enough.

Herky:

Well, I don't think they will.

I guess we'll never succeed after all.

Because of Jared's conditions and shyness, he's got a ton of craziness to go around.

Libby:

What did you say, Herky?

Herky:

I said, Jared has all those conditions when he's shy as well as the shyness itself, with doing the Mr. Knickerbocker moves, his silly sounds, his singing, and so on.

(Ding sound effect is heard as well as an animated CGI light-bulb instantly appearing over Libby's head suddenly lighting up)

Libby:

That's it!

Jay Jay:

What's it, Libb?

Libby:

The answer to Jared's shyness problem, Jay Jay.

I have an idea!

(Scene transits to Jared, once again faced with his challenge, as Maddy is coming his way)

Jared (thinking):

*Come on, Jay Ray. You can do this. Oh...She's right there.*

*Oh, man!*

(As we hear Jared's echoing heartbeat, we see Maddy coming closer and closer to him)

(As she gets closer, Jared's heart beats faster in fear and suddenly, he just yells and runs to hide himself in case anyone heard him)

(Jared just runs home as the home bell rings)

(Jared just runs home to the lair, sobbing)

Jared:

Oh, I'll never make it happen.

Whatever, it's just a stupid vision.

(Why Can't I (Original version, but is also in the style of R&B music)  
plays)

Jared:

At times, I feel like I just don't belong and I never get anything right.  
Doing my best doesn't seem good enough, no matter how hard I try.

**(Chorus):**

**Will I ever be able to reach for the sky? Will I keep being scared for  
the rest of my life? I see other kids and they get it all right, so why  
can't I?**

What if I don't have an answer? What if I don't know the way? Will  
someone laugh and make fun of me? What will the others say?

**(Chorus)**

Jared:

So why can't I?

(Song ends)

(Jared falls asleep, sobbing and starts to dream as the scene transits to  
the school hallway, but foggy and gloomy. We see Jared in the midst of  
the fog, walking around, alone)

Jared:

Hello?

Who's there?

Oh, I'm scared....

Oh, I wish I weren't alone!

(Jared covers his eyes, shakes his head, and starts to cry)

Jared:

Oh, I wish I had help!

I wish I wasn't alone!

(Colorful magic sparkles appear behind and circle Jared as a familiar purple hand on his shoulder)

Barney (off-screen):

You're never alone...you just have to trust God and your heart and...

A few imaginary characters

(Jared turns around to see the imaginaries, and hugs Barney, relieved and happy to see them, sobbing)

Jared:

Barney!

Guys!

Am I glad to see you!

Revvin' Evan:

Now, Jared, you didn't think we'd leave now, did we?

Tuffy:

Cousin Evan is right!

We would never abandon you!

Tracy:

Hey, guys, check it!

(The fog clears slightly only to reveal a silhouette of Maddy)

(BJ squints to see who it is)

BJ:

Oh, no.

Uh, guys, Maddy Macgowan alert at 12:00!

(Jared lets out a big breath)

Jared:

We're not running and hiding, BJ!

Look, as much I don't want to do this, we won't know if the vision will come true or not if we just hide and we can't let the vision come true because we never tried.

Libby:

I'm with Jared, y'all.

Riff:

Hey, you need the D3 dynamos!

Jay Jay:

And some high-flying accompaniment!

Barney:

Ok, friends, let's all hold hands and go together.

(They do what Barney says and walk forward, with nothing stopping them)

Jared:

Keep going....we can do it.

Just trust God, he's watching over us!

Keep going....just a few more steps

(The fog clears up as they get closer, but as it does from Maddy's view (although she doesn't see it) the colorful magical sparkles form around the imaginaries and when the fog finally clears, they disappear)

(Jared finally goes up to her and opens his mouth to say something)

Jared:

Hi, my name is Jared.

Maddy:

Hi, I've heard a lot about you, rumor spread effect.

Jared:

I see...

(We then transit back to the lair, Sunday morning, and Jared wakes up)

Jared:

Whoo, what a dream!

This gives me an idea!

(He then gets an idea and gets onto his computer and types something up quickly, which leads to a montage of him collecting stuff from the art

room for animating (e.g. pencils, colored pencils, cels, paintbrushes, etc.) and working hard and fast)

(Scene transits to the main hangout room to where he gets the Barney plush and the Rockhopper Penguin ship ready on the couch)

(Everyone else arrives instantly (well, the planes, Digit, Myla, Libby, etc.))

(The ship revs up and hovers)

Zidgel:

Good morning, Cadet Robinson.

(Jared salutes)

Jared:

Same to you, Captain Zidgel.

(Barney then comes to life)

Barney:

Good morning!

(The D3 appear in their respective colored sparkles)

Baby Bop:

Morning, friends.

Ooh, Jared, I see, you had a good sleep, because you look better than yesterday.

Barney:

I can tell just by your face.

(I Can See It on Your Face (Rendition similar to Is Everyone Happy?)  
starts to play)

Barney:

Sometimes I feel happy and that's just fine with me.

I think feeling happy is my favorite way to be.

You can tell I'm happy by the smile on my face.

All:

Yes, sometimes I feel happy. You can see it on my face.

Digit:

Sometimes I feel angry and some things make me mad.

I get so upset whenever someone treats me bad.

You can tell I'm angry by the frown on my face

All:

Yes, sometimes I feel angry. You can see it on my face.

Snuffy:

Sometimes I feel sad 'cause some things make me blue.

I pucker up my little lip and cry a tear or two

You can tell I'm sad by the look on my face.

All:

Yes, sometimes I feel sad. You can see it on my face.

Barney:

I can tell what you're feeling by the look on your face.

Each and every feeling has its time and its place.

But feeling angry or sad should only last a little while.

So happiness can feel your heart and give you back your smile.

All:

Yes, I can tell what you're feeling. I can see it on your face.

Libby:

When you're angry

All:

I can see it on your face.

Snuffy:

Or when you're sad

All:

I can see it on your face.

Jared:

Or when you're happy

All:

Yes, I can tell what you're feeling. I can see it on your face.

(Song ends)

Jay Jay:

Ok, Jared, what's the deal?

It sounded urgent when you called.

Jared:

Sure is, Jay Jay, my old friend, I just thought of a plan that might work. Barney, Adventure Screen, please.

Barney:

Got your back!

(Barney uses his magic to turn on the huge HD TV in the room)

(Jared uses the remote to turn on a colorful slide that reads in colorful letters: Mission: Maddy)

Jared:

I call this mission: Mission: Maddy!

Has a nice ring to it, doesn't it?

Here's how it's going to go down.

Tomorrow, lunch hour

(Jared clicks a button on the remote and the scene fades to how the plan will play out in real life (Similar to Codename: Kids Next Door: Operation: A.W.A.R.D.S.))

Jared (narrating):

We all know this isn't going to be an easy A, but I think we have a shot. We just need lookouts so that way, we can be alert of her location. I recommend the panes to split up into two groups to cover more ground, particularly the planes, seeing they have enough agile. Jay Jay, Snuffy, and Tracy will take the northeast wing, while Evan, Tuffy and Herky take the hallway leading the front door.

Now, I can't do it alone, so Barney, The D3, and Scooter will cover me. Myla and Libby and the Penguins will take the second role of lookouts and check and position over leftover ground.

Libby and Myla are the best spies we have in the posse, so they can get closer looks.

(Scene fades back)

But before all that, we need to take care of one thing, the first part of our mission: My shyness.

Midgel:

So did you get that part?

Jared:

Sadly, that's a no.

Libby:

No worries, we knew you needed help with that, so we cooked up something of our own.

My mom always said that music calms the soul, so we thought we used some of Riff's musical instruments to help you.

Evan:

And talking about the problem helped you a little. But you still had all those crazy conditions so we thought we'd take of that by music and dancing, seeing that most of them involved movement.

Jared:

But even if I do get rid of my shyness, I don't know if we'll succeed.

Barney:

Don't worry, Jared

(We're Gonna Find a Way (Full Version) (Rendition to the Original version, as well as Barney's Great Adventure Sing-Along) plays)

Barney:

When it looks like all is lost and you're feeling really sad,

It doesn't do a bit of good to keep on feeling bad.

Just make up your mind that you're gonna see it through.

And soon I know you'll find that you can make your dreams come true.

All:

**We're gonna find a way.**

**We're a Super-Dee-Duper team.**

**And when we stick together, there's no storm we can't weather**

**No matter how dark it may seem.**

**We're gonna find a way.**

**We're gonna save the day.**

**We'll solve the situation with our imagination.**

**We're gonna find a way.**

When things are going wrong, we can make our own good luck.

The only time we ever fail is when we just give up.

Don't be a quitter now. There's some tricks left up our sleeve.

We'll get through this somehow if we can only just believe.

**(Chorus, leave out last line)**

(Dance break)

We're gonna find a way!

Barney:

Yeah, I said

All:

We're gonna find a way!

Barney:

And as I always say, at first you don't succeed, try and try again

(Try and Try Again (Rendition similar to the A Great Day for Learning CD) plays)

Ensemble (the others besides Barney and Jared):

**If you can't do it the 1<sup>st</sup> time,**

Barney:

**Try and try again,**

Ensemble:

**If you can't do it the 2<sup>nd</sup> time,**

Barney:

**Don't give up, my friend.**

**Because you're going to do it sometime,**

**And you will be so happy then.**

**So try and try.**

**Try and try again.**

Barney:

See the little birdie, way up in the sky?

She didn't know how to fly.

He watched her mommy flap her wings, and fly so high.

She told him, you can do it if you try.

BJ:

I was blowing bubbles with little Baby Bop

Every time she tried it  
The bubble just went pop

(Pop sound effect)

Riff:

But then she blew one so big, it floated up to my rooftop.

BJ:

She did it because she did not stop!

**(Chorus. Note: Jared joins in with the others)**

Barney:

So try and try, try and try again!

(Song ends)

(Scene fades to the posse out of their PJ's and in their usual day clothes and everything ready to go)

(Jared walks in with Barney, surprised by the setup on the platform in the main hangout room)

Jared:

Wow! How long did this take?

Myla:

All day yesterday on Saturday while you were moping.

Barney:

Well, let's test this out!

(Barney snaps his fingers and rock-n-roll clothes and jackets appear on the gang)

(Barney breaks the fourth wall):

C'mon, you can join in, too.

(Barney magically whips up his keyboard (from Play Piano with Me) and gets ready)

Riff:

And a one, two, one, two, three, hit it!

(Sing Your Song (Welcome, Cousin Riff [Featurette]) plays)

Barney:

Let's sing a little song

Baby Bop:

Yes, a happy little tune

Riff:

If you sing a little song

BJ:

The whole world might just sing along!

Barney (audio from Riff to the Rescue):

**C'mon, and sing a little song when your happy, sing a little song when you're sad.**

All:

**Oh, sing a little song about the things you've done.**

**You can sing about your mom or your dad.**

Myla, Libby, Baby Bop, and BJ:

If you're not sure what to do.

Snuffy and Riff:

Because you feel a little blue

Jared and Barney:

Hey!

It's gonna be okay, cause we are going to sing the blues away

All:

Everybody!

**(Chorus)**

Sing a little song, sing it loud and strong.

Sing what you wanna say.

Sing your song

Sing your own song

Everybody, sing your song...Today!

Yeah!

(Song ends)

(Everyone cheers)

Riff (head scales light up/sparkle/glitter):

Tippity-top job, everyone!

Looks like the music is ready to go, go, go!

Barney:

But first, why don't we start off with the things Jared likes about Maddy?

Jared:

Well, her bright green eyes, I can see she has style, and that bright pink bag of hers.

Pink is one of my favorite colors.

Light pink, dark pink, purple pink, pinky, pinky, pink.

Barney:

I have a song like that on our...

(Barney makes the Happy Dancin' Music Machine Music Box/Jukebox (From Dino Dancin' Tunes, Can You Sing That Song, and Top 20 Countdown) appear via his colorful magic)

Barney:

Happy Dancin' Music Machine! It's part of our showcase!

(Jared pushes the bright green button on the top of the video screen and the machine powers up (same sound effects from Dino Dancin' Tunes and Top 20 Countdown))

(Pinky, Pinky, Pink (Parody of We Love All Clocks from Tick-Tock Clocks) (Music rendition from We Love All Clocks from Tick Tock Clocks, but also given a ragtime feel (just in Jay Jay the Jet Plane: Switch Around Day) As the music plays, the orchestra plays along)

Jared:

**Light pink, dark pink.**

**Mixed in with purple pink**

**Pinky, pinky, pink.**

**Red and pink, blue and pink.**

**We love the color pink.**

**Pinky, pinky, pink!**

Pink is a lovely color, that's true.

Goes with yellow, and green, too.

It can be a gem on a necklace or ring.

It can be a bike bell going ding, ding, ding!

All:

**(Chorus)**

Baby Bop:

It's the grand, grand color of my belly

BJ:

A bright pink bird in the sky, I see.

Riff:

A flower vase, the color is beautiful

The D3:

Cause it has a pink flower, with water that's full

All:

**(Chorus)**

Libby:

It could be a pair of earrings or a sequined glittered hat

Myla:

It's the color of love,

Daniela:

Yes, that's a fact.

Jay Jay:

It's one of those colors we just can't hate

Tracy:

Yes, the color pink

Jared:

It's Supertastically great!

All:

**(Chorus)**

We love the color pink

Pinky, pinky, pink!

(Song ends)

Barney:

Great job!

Pink is a fun color!

Like purple!

Riff:

Or orange

Baby Bop:

Or green

Daniela:

Or red.

Jared:

I guess we can agree all of the colors are awesome-tacular!

(Colors All Around (Rendition similar to Original/Colorful World/Let's Imagine Live, but also given the saxophone melody from the curtain call from Purple Park Tour) plays)

Barney:

Let's get colorful!

All:

We like colors

We like them a lot

We got colors

Colors we got

Red, blue, and yellow

Purple, orange, green

Black, white, brown

Every color in between

Colors all around

All around the world

For every boy and girl

(Riff plays the saxophone melody)

Barney:

Red makes me think of an apple or a cherry, the sun when it sets or  
a ripe strawberry.

Blue is the sky, blue is the sea

Blue is the color of a blue berry

All:

Colors all around

All around the world

For every boy and girl

Baby Bop:

Orange is a pumpkin

Orange is a carrot

Orange is an orange

The D3:

We can share it

Jared:

And if you haven't seen what is purple and green

Just look at my friend, Barney

See what I mean?

All:

Colors all around

All around the world

For every boy and girl!

Barney (breaking the fourth wall):

You like colors?

Because when you use your imagination, we can use those colors every day! So c'mon, let's get COLORFUL!!!

We like colors (We like colors)

Yeah, we like them a lot (we like them a lot)

We got colors (We got colors)

Colors we got (Colors we got)

Red, blue, and yellow (Red, blue and yellow)

Purple, orange, green (Purple, orange, green)

Black, white, brown (Black, white, brown)

Every color in between (Every color in between)

All:

Colors all around  
All around the world  
For every boy and girl

Barney:

One more time, bring it home!

All:

Colors all around,  
All around the world  
For every boy and girl

(Big finish and Barney scats and hums)

(Song ends)

Barney:

Dino-mite, everyone!

(Jared starts to hop like Baby Bop)

Jared:

Okay, with all this talk about Maddy, I guess our first condition of  
my shyness kicked in:

I hop like Baby Bop!

Baby Bop:

Don't worry, Jared.

We can all hop to help cure that.

Barney:

Well, let's hop like Baby Bop!

(Baby Bop Hop (Perfectly Platinum CD) plays)

Baby Bop:

Hop, hop, hop, hop

Barney:

I know someone who is lots of fun with a happy kind of dancing

All of her friends say Baby Bop!

Do the Baby Bop Hop

Baby Bop:

Hop, hop, hop!

All:

Hop, hop, hop, hop!

Jared:

Hey, I feel it!

Barney:

I know someone who is lots of fun with a happy kind of jumping

All of her friends say Baby Bop

Do the Baby Bop Hop!

Baby Bop:

Hop, hop, hop!

All:

Hop, hop, hop, hop!

Baby Bop:

C'mon, everybody! Here we go!

Myla:

So sing this song, you can hop along

Daniela:

Whenever you feel like jumping

Baby Bop:

Cause when you hop, you feel tip-top

Doing the Baby Bop Hop

Barney:

Let's do the Baby Bop Hop

All:

Hop, hop, hop, hop.

Doing the Baby Bop Hop!

Baby Bop:

Hop!

Jared:

Looks like my hops are all gone, but...

(Jared taps his cheeks to the Mr. Knickerbocker rhythm and does  
the hand movements)

Daniela:

Old' Boppity-Bop Syndrome?

Libby:

BBS, for short?

Jared:

Yes.

Riff:

We can fix that in a jiffy!

(Riff clicks the button on the music machine)

(Mr. Knickerbocker (Original with Saxophone melody from Barney's Sprout Concert) plays)

Barney:

Let's do this!

Baby Bop:

Here we go!

All:

Hey Mr. Knickerbocker, boppity-bop

I like it the way that you boppity-bop

I like it the way that you boppity-bop

With your hands!

(Clap to the rhythm)

Hey Mr. Knickerbocker, boppity-bop

I like it the way that you boppity-bop

I like it the way that you boppity-bop

With your mouth!

(Cheek taps to the rhythm)

All:

Yeah!

Barney:

Oh, yeah!

Oh, boy!

Now we get soft then loud.

A crescendo!

BJ:

C'mon, get down!

Barney:

Let's go!

All:

Hey Mr. Knickerbocker, boppity-bop

I like it the way that you boppity-bop

(4x, crescendo/gradually louder)

(Song ends)

Barney:

Tee-riffic!

Myla:

Okay, what condition do we fix now?

(Jared does a wing wiggling jig, just like Jay Jay's)

Jay Jay:

No problem, I got this!

(The little blue jet jumps and his wing hits the button)

(Wing Wigglin' (Jay Jay the Jet Plane: Tunes From Tarrytown CD version) plays as Jay Jay wiggles his wings to the music)

Jay Jay:

Wing Wigglin', Wing Wigglin'

If anybody saw me they start gigglin'

Wing Wigglin'

That's my secret way

Of dancing out the day and

I'm sure the best cure for

Shy old planes is

Wing Wigglin'

I look so silly

That's what my friends are gonna say

One and two and one and two

If you wanna stay in shape

There are things that you can do

Three and four

Try and make sure

No one's watching you while you're going through

Wing Wigglin'

Wing Wigglin'

It makes me happy, no shy parts jingling

I'm not wigglin' in anybody else's eyes

(Uh, uh)

I know I look like a clown

When I wiggle, wiggle, wiggle, wiggle

All around

*Wing Wigglin' my very special dance (3x)*

(Instrumental break as Barney, Jared & Jay-Jay break the fourth wall, showing the audience how to do the dance: make wings, big or small, and lean to the left and to the right as well as flap them.)

Jared:

You wanna try doing the dance?

Well, it's easy

First you make your wings with your arms, like so.

Barney:

Then you lean to the left and lean to the right.

Jay-Jay:

And don't forget to wiggle and flap them. That's the beauty of it!

Barney:

Let's go!

Jay Jay:

All together now!

All:

Wing Wigglin'

Wing Wigglin'

It makes us feel great and keeps us gigglin'

Wing Wigglin' in our own special way

Jared and Jay Jay:

In our own special way

All:

In our own...

Special...

WAY!!

Jay Jay:

Oh, yeah!

(Song ends)

Barney:

Stu-u-u-pendous!

(Jared now claps his hands to the Clapping Song rhythm)

Jared:

Okay, another one.

I also do the clapping rhythm of our clapping game

Daniela:

I think I might have just the song.

(Daniela pushes the button)

(The Clapping Song (Original version) plays)

Barney:

This is a song and a clapping game

It's so much fun to play

You can do it with a group you can do it by yourself

You can do it most every day

Just listen now

(Claps to the rhythm (3x, 3x, 5x))

Barney:

Have you got it?

(Claps rhythm)

Riff:

Now let's try together

Jared:

Now it's going to be your turn to try the clapping part

You can do it REAL LOUD

Or do it real soft

But get ready cause we're going to start

Here we go now

(Claps to the rhythm)

Once more now

(Claps rhythm)

Baby Bop:

Why don't we try something silly?

BJ:

Good idea, Sissy

Barney:

The good thing about this clapping is that the rhythm will never,  
never change

But the things we're going to clap on may seem a little strange.

On your stomach now

(Claps rhythm (Note: Big drum/tympani are used for stomach))

On your shoulders

(Claps rhythm)

Digit:

I like this

Libby:

Same here!

Barney:

The good thing about this clapping is that the rhythm will never,  
never change

(Never, ever)

But the things we're going to clap on may seem a little strange.

On your knees now

(Claps rhythm (cowbell clang used for knees))

On your hips now

(Claps rhythm (crazy/silly boing sounds for hips))

Tracy:

Okay, last time. All together now!

Jared:

Here is the end of the clapping song

It's sung in many lands

Barney:

Just make us feel good on the very last time

Everybody clap with your hands

Here we go now

(Claps rhythm)

Final time now!

(Claps rhythm)

All:

Yeah!

(Song ends)

Baby Bop:

That was fun, especially when we got really silly!

(Jared makes silly sounds)

BJ:

Speaking of silly, I think we have another Jared shy condition  
kicking in!

(BJ pushes the music machine button)

(Silly Sounds (Rendition from Be My Valentine, Love Barney  
(Joseph K. Phillips version) plays)

Barney:

**Oh, silly sounds get sillier, when you hear them once again**

**Maybe you're hear an echo or maybe it only a friend**

Me, oh, my (Me, oh, my)

Diddle, daddle, doo (Diddle, daddle doo)

Tick a tock, a tick, tock (echo)

Coo, coo, coo (echo)

Me, oh, my

Diddle, daddle, doo

Tick a tock, a tick-tock

Coo, coo, coo

Jared:

**(Chorus)**

Pickle pie (echo)

Cock-a-doodle-doo (echo)

Waka-waka-wok-wok (echo)

Boo, boo, boo (echo)

Pickle pie

Cock-a-doodle-doo

Waka-waka-wok-wok

Boo, boo, boo!

All:

**(Chorus)**

Hippity-high (echo)

Yodel-yodel-oo (echo)

Sippy-sappy-sip-sap (echo)

Loo-loo-loo (echo)

Hippity-high

Yodel-yodel-oo

Sippy-sappy-sip-sap

Loo-loo-loo

(Song ends)

Riff:

Oh, that was so much fun, guys.

Baby Bop:

Let's make a new silly song

(The Gaggle, Giggle, Wiggle Dance (Rendition similar to Barney  
Rocks) starts)

Barney:

A gaggle of giggling, wiggling geese came galloping through the  
grass.

On their way to the farmer's house to teach a ballet class

And there before their very eyes stood every animal

Cows, pigs, sheep, chicks

And even Mr. Bull

To do...

All:

**Gagging, giggling wiggle**

**C'mon, here's your chance**

**Everyone can do**

**The Gaggle, giggle, wiggle dance**

Barney:

Now start by putting hands together

Take 'em way up to the sky

Stand up on your tippy-toes

Here we go now

Don't be shy

All:

Wiggle to the left

Wiggle to the right

Wiggle back and forth with all your might

Barney:

See, you can do it

I knew you could

Now wiggle, waggle, wiggle, waggle

Really, really good

All:

**(Chorus)**

Giggle (gaggle)

Wiggle (waggle)

Giggle, giggle, gaggle, gaggle

Wiggle, wiggle, waggle, waggle

Giggle (gaggle)

Wiggle (waggle)

Barney:

One more time!

All:

**(Chorus)**

The Gaggle, Giggle, Wiggle Dance!

(Song ends with Barney chuckling)

Barney:

That was fun!

How do you feel, Jared?

Jared:

I feel a lot better, but I still need to get some more jitters out of me.

Barney:

I think I know just the thing

Right this way backstage, guys

(Everyone follows Barney as the lights dim)

Barney:

And now a big finale of our Removing Shyness Showcase, well  
this first, a little dance number by me and Jared.

Lights!

(The spotlights instantly turn on revealing Barney in a black bowtie, a top hat with a sparkling ribbon, a couple of tuxedo cuffs on his wrists, and snazzy black and white dance shoes (from Gen 1 of B&F), with Jared also wearing a top hat tuxedo and tap shoes)

(Happy Dancin' (Rendition from Barney's Talent Show) starts)

Barney:

Happy dancing in my shoes

Helps me chase away the blues

Makes me feel just like I may go happy dancing all day

Happy Dancing all day

(Dance Break instrumental, as Barney and Jared dance and Barney hums with the music)

Barney:

Oh, happy dancing in my shoes

Helps me chase away the blues

Makes me feel just like I may go happy dancing all day

Happy Dancing, happy dancing all day

(Big finish instrumental and Barney scats and hums like before)

(Song ends)

(The curtain closes and we see colorful sparkles emerge for a few seconds and the curtain instantly opens with BJ at the drums (his same BJ and the Rockets drum set) and everyone is dressed up in their band garb from before)

BJ:

Okay, guys, ready for our big finale of our showcase?

Because we're going to show you one of our favorite ways/dances to shake off shyness!

(The Dino Dance (Rendition from Come Over to Barney's House, with sax melody from Barney's Purple Park Tour) starts to play)

BJ:

There's a new dance craze sweeping the country and it's called the Dino Dance

It's a lot of fun and we all hope you'll give it a chance

Are you ready now?

Cause it goes like this!

**First you hop, hop, hop all over the place**

**Shake your dino tail (Shake, shake (on final/last time))**

**While you make a funny face**

**Everybody start twisting and turning**

**We'll have a lot of fun while we're learning to do**

**The Dino Dance!**

Jared (breaks the fourth wall):

Are you dancing, too?

C'mon, it's fun!

Barney (breaks the fourth wall):

Just listen to the words and do what we do

Are you ready now?

Cause it goes like this!

Jared and Barney (taking turns):

**(Chorus)**

All:

It's a lot of fun as you can see

A dance just right for you and me, so c'mon!

(Jared: Everybody now!)

**(Chorus)**

We're gonna do

The Dino Dance!

(Big finish as Barney scats)

(Song ends as colorful/rainbow confetti pops and flies all over)

(Scene fades to just Barney and Jared in the hangout lounge after the showcase for a little chat)

Jared:

Wow, Barney!

How did you manage to pull that off?

Barney:

It was Libby's idea, Jared.

She thought if we could use those conditions against you, it would have an impact that wouldn't get you so scared of Maddy.

(Stomach grumbles)

Guess all that singing and dancing has made me hungry

Say, I have just the thing in my closet.

Be right back

(Barney walks over to his closet door and rummages through it and adlibs)

Barney:

Bingo, found it!

(He comes out rolling his popcorn machine cart)

Jared:

Popcorn!

(The Popcorn Song (Rendition similar to the Start Singing with Barney CD) starts)

Barney:

Oh, you can hear it, you can see it, you smell it, you can eat it

(NOTE: Italics mean pre-chorus)

Both Jared and Barney:

*You can hear it*

*See it*

*Smell it*

*Eat it*

*Touch it*

*Crunch it*

*Taste it*

*Munch it*

**Popcorn is really neat!**

**Fun to make and fun to eat**

**Popcorn is the pop, pop, ever topping, never bopping, show  
stopping, zany kind of treat!**

Jared:

The corn starts little then it pops to a poppin' popcorn beat.

Fills the popper to the top and then it's time to eat!

Both:

**(Chorus)**

(Note: Underlined means bridge)

Both:

Pop, pop, pop, popcorn

Barney:

I can hear it playing

(Bridge)

Jared:

I can smell it making

(Bridge)

Barney:

I can see it shaking

(Bridge)

Jared:

Time to do some tasting!

Barney:

I can hardly wait!

*(Pre-Chorus)*

**(Chorus)**

Both:

It's the pop, pop, ever topping, never bopping, show stopping zany  
kind of

Popcorn!

*(Song ends)*

*(Scene fades to Barney putting away the cart and pulling out a  
DVD case)*

Jared:

What's that, B-man?

Barney:

What I wanted to show you

*(He inserts the disc into the DVD slot under the Adventure Screen)*

(The movie shows various clips from the B&MPK episode Barney in Love, when Barney and Daniela first met)

Jared:

Hey, I remember this day, that's when you and Daniela first met

Barney:

Yep, I was dealing with the same problem about shyness that you have now.

It's OK and normal to be shy, but it takes time to build up and you have to do your part.

And your very best!

(Do Your Best (Rendition similar to Original, but in the style of Show Tune, Pop/Calypso (just like in The Counting Game from Jay Jay the Jet Plane) starts)

Barney:

**When you do your best, you'll sparkle and shine**

**Never give up, though it may take some time**

**To learn the things you want to do**

**Always do your best and see it through**

Each time you try a little more

You're better than before

Anything is possible for you

(Barney: Just trust in God)

And

**(Chorus)**

You might run a little faster

Jump a little higher  
Or maybe find a way to rocket to the moon!

**(Chorus)**

(Song ends)

Barney:

From that, I learned that everyone gets shy, but with a little bit of faith and help from my friends and God, I could conquer that shyness.

Feel better?

Jared:

I feel a little more...fabulous.

Barney:

Oh, boy!

(Jared hugs Barney)

Jared:

I just hope the plan works

Barney:

I'm sure it will, with your instincts, your powers, and your imagination

Jared:

I guess you're right, Barn.

(Barney yawns)

Barney:

Well, we'll find out soon enough, we got to get some shut-eye for tomorrow.

Jared:

Okay, good night, Barney.

(Jared runs off the set)

Barney:

Good night.

Hmm....

(Barney looks at Jared, with a happy, yet suspicious and knowing look, for he might know who he's talking about)

(Scene transits to the next morning with Jared waking up from his bed and a montage of him getting ready for school and the mission plays)

(Note: Solo Star by Solange Knowles plays in the background during the montage)

(Jared turns on his Skwak Pad)

Jared:

Okay, posse, y'all ready?

Operation: Mission: Maddy, we commence at the dawn of lunch hour

(Montage stops/scene transits to later that morning at the school hallway, where the posse is grouped up before class)

Barney:

Jared, there's one more thing you have to put on before we can start later!

Jared:

Really, what's that, Barney?

(I Put a Smile On (Recording from Musical Castle to keep the trend of Jared voicing Barney in his Bob West voice) starts)

Barney:

A smile!

Early in the morning, when I get dressed

Because I always wanna look my best

The first thing I do so everyone will see

Is put a great big smile on me

I put a smile on, a smile on my face

I put a smile on, I wear it every place

I put a smile on and soon I see

The whole world's smiling back at me

Baby Bop:

A smile is pretty

BJ:

A smile is free

Riff:

A smile is a gift

The D3:

To you from me

Jared:

A smile is a present in a special way

All:

Because you still get to keep it when you give it away!

I put a smile on, a smile on my face  
I put a smile on, I wear it every place  
I put a smile on and soon I see....  
The whole world's smiling back at me  
The whole world's smiling

Back

At

Me!

Baby Bop:

A-doodle-dee-doodle-dee-doo-doo!

BJ:

(Scatting 'Stas')

Barney and Jared:

(Scatting)

All:

Yeah!

(Song ends)

(School bell rings)

Jared:

Uh-oh, we gotta go to class!

Remember, lunch hour!

All:

Right!

(They all split up)

(Scene transits to Jared's watch which reads 8:05, fast forward to just seconds away to 10:45, lunch hour.)

(Bell rings)

(Jared walks out of the classroom, slo-mo, as Remember the Name by Fort Minor plays with Barney and the D3 joining in via colorful sparkles)

(After the slow-motion bit, Jared pulls out his Skwak-Pad to call Libby)

Jared:

Red-Hot Robinson to Little Miss Libby, do you read?

Libby (Over the pad):

Loud and clear, Red-Hot

Jared:

Feathered Feds!

Fidgel:

Affirmative!

Jared:

Tarrytown Tyrants!

Tracy:

At the ready!

Jared:

Super Spies!

Myla:

Roger!

Libby:

Ya better believe it, Jay!

Jared:

Excellent and thanks, you guys!

BJ:

Ok, let's get into position

Barney:

All right, let's hit it!

(They all huddle and put in their hands)

Jared:

Imagination Posse, Battle Stations!

All:

Break!

(They all split up into their stations)

(Scene fades to Jared, Barney, Myla, and Libby with the D3 walking around with the planes and Digit)

Jared:

Oh, boy, nothing yet.

Myla:

How can you be sure?

Voice:

Jared!

Digit:

Did you say something, Riff?

Riff:

No, Didge. I wasn't making any sounds.

Herky:

Well....

If it's not Riff, then....

Libby (her voice slowly becoming dramatic and slow):

Who is it?

(Everyone glances at each other, with faces of disbelief about what's going on and surprise)

Jared:

Oh...

Barney:

Dear...

(They all turn around to see the exact same events happening in Jared's vision)

Jared:

Gasp!

This is it!

This is my vision!

Barney:

What are you waiting for?

Libby:

Go for it!

We'll be here for you, you know that?

Jared:

Okay, I'm going in.

Oh, and guys....

(The imaginaries seems to disappear and dissolve in a burst of colorful magic sparkles, leaving Barney in his doll form)

Jared:

Thanks...ok, show time!

(Jared quietly prays to God to help him, quickly)

(Jared picks Barney up and slips him onto the special pouch and takes a big breath)

(Craig David's Fill Me In (Part 2) plays in the background as Jared reluctantly, but bravely goes for his fate)

Jared:

Hey there....

My name is Jared Robinson

Maddy:

I'm Maddy Macgowan, I've heard quite a lot about you from Niner Night. You have quite the moves.

Jared:

Oh, I see.

(The conversation seems to go on for the rest of the lunch period (they're probably getting to know each other) as we fade back and forth to see snippets of their conversation as well as what they're saying (e.g. Jared says pink is his favorite color, as well, Maddy says she loves a little something sweet, particularly brownies, etc., you get it))

Jared:

Before you go, I have one last thing to show you.

Close your eyes

(Maddy closes her eyes)

Jared:

And use your imagination...

(Magic sparkles reveal Barney in front of her)

Maddy:

Barney!

(She runs and hugs Barney)

Barney:

Madeline Macgowan!

I thought it was you!

I haven't seen you since you were a little girl, still looking as beautiful as you did.

Maddy:

Wow!

You're right, it's been years!

That's something you don't get in your average high school.

(School bell rings for class)

Jared:

Well, I guess you better be going

Maddy:

Yeah, but it was great meeting a new friend, Jared: You!

So talk to you again soon?

Jared:

Very soon, my friend.

Very soon, indeed.

Maddy:

Bye!

Jared:

Bye-bye!

Barney:

I love you, bye

Maddy:

Good-bye, Barney. Love ya.

(She hugs Barney again)

(Maddy runs away and stops at the end of the hallway and blows a kiss as a CGI heart flies over to Jared and pops/dissolves softly on him, with him widely smiling)

Jared:

Wait for it.... (Maddy walks out of sight and earshot)

(Jared celebrates)

(Scene transits to the lair)

(Portal opens and Barney and Jared appear)

(The others are on the couch, waiting to hear the news)

Libby:

So, we've been in pins and needles all afternoon!

What happened?

Barney:

Let's say we did it!

Mission Accomplished!

All:

Hooray!

BJ:

This calls for a celebration!

(The cast hears clanking and other musical sounds)

Barney:

Sounds like Riff wants to do a finale for our showcase, to celebrate our good fortune!

(Everyone runs off as Barney breaks the fourth wall)

Barney:

You can join us, too.

Come on!

(Victory Song (Wii Fit Victory Theme with lyrics) plays as the posse are at the exact same band stations as before)

All:

We did it, yeah, we did it!

We have the victory

We have our triumph, hey!

We did it!

Let's celebrate!

This is our victory song! (2x)

Let's celebrate!

This is our victory! (2x)

(Repeat song a few more times more but every time in the chorus, there's a group of people (let's say the D3 singing in the background: We did it, we did it, and we have the victory!))

(Song ends and then transits to If You're Happy & You Know It (Great Adventure Sing-Along, but mixed in with Imagination Island & the techno version from Barney's Birthday Bash))

Barney:

Here's something we can all lay down, a nice classic!

Here we go!

All:

If you're happy and you know it

Clap your hands

(Claps) (2x)

If you're happy and you know it

Then your face is gonna show it

If you're happy and you know it

Clap your hands

(Claps)

If you're happy and you know it

Stamp your feet

(Feet stamp) (2x)

If you're happy and you know it

Then your face is gonna show it

If you're happy and you know it

Stamp your feet

(Stamp) (2x)

If you're happy and you know it

Shout hooray!

(Hooray!) (2x)

If you're happy and you know it

Then your face is gonna show it

If you're happy and you know it

Shout hooray!

(Hooray!)

If you're happy and you know it

Do all 3!

(Clap, stamp, and hooray (in order)) (2x)

If you're happy and you know it

Then your face is gonna show it

If you're happy and you know it

If you're happy and you know it

Do all 3!

(Clap, stamp, and hooray (in order))

(Song ends)

Barney:

Great job, friends!

See what happens when you trust God to handle your shyness,  
Jared?

Jared:

I sure do, I have a feeling it's the beginning of a brand new  
friendship

(Jared gets transfixed into the final vision of the episode, in which  
he sees himself having fun dancing with Maddy and a few other  
kids, they high-five and hug it out (foreshadowing for the future  
Mission: Maddys))

(We cut back to the present with Jared smiling)

Jared:

I stand corrected

Barney:

Well, that just goes to show you what the Bible means when the  
verse Matthew 19:26 says: 'With God, all things are possible' In  
my words, with God's help and the help of friends and family, you  
can do ANYTHING!

(You Can Do Anything (Great Adventure Sing-Along) starts)

Barney:

Don't ever start giving up  
Even when you're out of luck  
Remember when you get stuck

All:

You can do anything!

**Anything, anything!**

Barney (or Jared):

**Anything you do will change your point of view**

Jared:

It's simple as A-B-C

A quitter I'll never be

It's up to you and me

All:

We can do anything!

**(Chorus)**

Jared:

Don't ever start giving up

Even when you're out of luck

Remember when you get stuck

All:

You can do anything!

**(Chorus 2x)**

All:

You can do

**ANYTHING!**

(Song ends with everyone cheering with confetti flying)

(Scene fades to the posse walking off the platform)

Jared:

Thanks for helping me fulfill my vision, everyone!

I couldn't have done it without you...and God

Baby Bop:

No worries, Jared

Riff:

It was our pleasure

Libby:

Anything for a friend

Barney:

Either when you're shy, happy mad, silly or sad, just remember  
that God loves you and made you special.

Jared:

Just like how I love all my friends

(Everyone group hugs Jared)

(I Love You (Standard J&F version (Rendition similar to B&F  
Season 4-6 mixed in with Sense-a-tional Day, Rhyme Time  
Rhythm, and Big Surprise) plays)

Barney:

I love you, you love me

We're a happy family

With a great big hug and a kiss from me to you

Won't you say you love me, too?

(The cast holds hands)

All:

I love you, you love me

We're best friends as friends should be  
With a great big hug and a kiss from me to you  
Won't you say you love me, too?

(Song ends as everyone group hugs)

(Baby Bop yawns)

Baby Bop:

Guess that adventure has made me tired today

BJ:

Well, I guess it's time for me, Sissy, and Riff to go now.

She has to take a nap.

We sure had a great adventure, guys.

Jared:

No big, BJ. We always do.

BJ:

See you next time!

Baby Bop:

Bye, bye!

Riff:

Bye now!

Later, skaters!

(Everyone says their goodbyes as the D3 disappear in their  
respectively colored sparkles)

Myla:

Well, we better be going too.

Bye, Jared

Bye, Barney

(Myla and Libby leave with the others)

(Jared turns around to find Barney magically dissolving back into his doll form via magic sparkles)

(He picks him up)

Jared:

Thank you, Barney, for everything

(He hugs Barney sets him down on the lamp table)

Jared:

See ya!

(Jared leaves the set)

(We get closer to the Barney doll as a familiar chuckle is heard one final time as the doll winks)

(We transit to the credits)
